INTRODUCTION

KPIP Law, PLLC is a small IP firm with large IP firm capabilities. We help clients identify, protect, and monetize their Intellectual Property (IP) - patent, trademark, and copyright. Attorney Peaslee works with clients of all sizes to protect their IP in the U.S. and world-wide through her extensive network of international colleagues. KPIP Law, PLLC understands product life cycles and that R&D as a cross-functional process. Our firm provides exceptional value and attentiveness so you can focus on running your business.

CORE COMPETENCIES

- ◆ IP Identification: Invention Capture, Drafting IP Policies, Conducting IP Audits, Patent searching, and Analysis of Data Rights
- ◆ IP Protection: Patent Prosecution (Utility & Design), Trademark Prosecution, and Copyright Registration
- ◆ IP Monetization: Patent Landscaping and Technology Licensing
- ◆ IP Analysis: Patentability, Freedom to Operate, Validity and Infringement Opinions

DIFFERENTIATORS
